“ *Eli was the sweetest yingel with a huge happy smile and eyes that sparkled like diamonds. I loved how he smiled, as if he was about to burst out laughing from some personal joke. He remembered everyone who he interacted with and anyone who had ever helped him. I can still feel his great big bear hugs and see the twinkle in his eyes that warmed my heart. I love him and always wish I could've done more. May his neshama have an Aliya and enjoy a lichtige Gan Eden and may his family, especially Aharon, have a nechama and never know of any more tza'ar.*
