“ To the extended Murik family,

Morah Murik was so energetic and so full of love and life and simcha! We were fortunate to have some of our daughters learn from her in Chicago before she moved. She always expected so much in such a positive way from the girls, and they saw that she demanded the same from herself. As a young mother, I too learned so much from her devotion. She wore the uniform to align herself with the girls, never before and never after have I ever seen such devotion. And she kept up the connection every Rosh Chodesh for so long! She lived for the girls. She was so selfless and devoted! And full of simcha, she spread simcha to all the girls and their families. All the fun carnivals, plays, dancing, learning. The tehillim, the contests. We could go on and on.

Our family gained so much from Morah Murik and we will always remember her with love.

May the memories comfort you always.

“ We remember Morah Murik with so much love from years ago before my oldest entered primary (who is now in HS B'H), the reason we sent our daughter to Bnos Brocha was only because of Morah Murik, who we heard truly loved each girl and truly loved Hashem and transmitted this special warmth to each individual girl. A rare thing, that is so essential to the chinuch of children today. We are heartbroken. She had energy beyond her years, a real 'bren' for Torah and Hashem. My daughters cried when they heard the news as we all did, because they felt a real connection to her. Her passing at this time is so hard for us all who would have been at her levaya by the tens if not hundreds of thousands. But this was just like her - a tzanu'ah who wanted to leave without fanfare. A true tzadeikes of a very rare and special kind. We were fortunate to know her. May Hashem comfort the family and all of kl'al Yisroel on this tremendous loss.
